🎓 EDUCATIONAL HISTORY

Diploma in Engineering

Institute: Dhaka Polytechnic Institute

Dept   : Computer Science & Technology

Result   : CGPA 3.83 out of 4.00 (7th Semester)

Year   : 2022 – Present

Secondary School Certificate (SSC)

School : Bangabandhu Sheikh Mujib Academy

Board   : Dhaka

Group   : Science

Result   : GPA 4.56 out of 5.00

Year   : 2021

🖥 TECHNICAL SKILLS

Manual Testing

Automation Testing

Functional Testing

Regression Testing

Smoke Testing

Usability Testing

UI Testing

Requirement Analysis

Test Planning

Test Case Writing

Test Case Execution

Selenium

Python

👤 PERSONAL PROFILE

Software Quality Assurance Engineer with experience in testing IOS, Android, and Web applications. Skilled in testing e-commerce, healthcare, and multimedia projects. Committed to quality through effective planning, execution, and teamwork. Positive attitude with strong communication skills.

💼 WORK EXPERIENCE

Popular Diagnostic Centre, Dhanmondi

Technician, ICT

PRACTICE PROJECTS & RESPONSIBILITIES

QA Practice Netlify-Web Applications

Manual Testing Project

- Designed and executed detailed test cases for authentication flows, form validations, and data-driven interactions.
- Identified and reported unique defects, including functional errors and UI inconsistencies.
- Validated API endpoints to ensure data integrity between front-end and back-end.
- Verified application responsiveness and behavior across different browsers (Chrome, Firefox, Edge).

Test Automation-Web Applications

Practice Websites from Razvan Vancea's Demo Collection

- Developed and executed automated test scripts for web applications using Selenium/Python.
- Performed functional, regression, and UI testing on multiple demo websites.
- Implemented test automation frameworks and utilized assertions for validation.
- Generated automation test reports to analyze results and improve test coverage.
